The Chamber of Mines of Eastern BC's will be hosting our Spring Banquet this year on Saturday May 31, 2025, at the Hume Hotel in Nelson. Doors open at 5:00 pm for the mixer and dinner is at 6:00 pm. Tickets are \$65, and we will be having presentations from mining companies operating in the area about their current projects. Members and the public are welcome.

The Chamber of Mines of Eastern British Columbia is a not-for-profit organization, registered with the BC Societies Act providing authentic, reliable information to the public and the mining industry. Our members include everyone from individual prospectors to large mining and engineering companies. The Chamber teaches prospecting courses and hosts classes for local schools to learn about local mining history and the importance of mining in B.C. The Chamber is open to the public and many tourists visit the museum to peruse our extensive mineral collection and mining library each year.

Mining and exploration is very important to the Kootenays. Each year millions of dollars are spent on exploration in the area, generating employment for local people, who in turn spend their money here.

The Chamber would like to request your support for this seasonal event, by asking for sponsorship or a donation for our live auction and door prizes held at the banquet. The sponsorship opportunities are listed on the back of this page. The banquet is open to members of the Chamber and to the public. Any items donated will have your business advertised along with the item at the Banquet as well as in next month's Motherlode newsletter.

For more information, please contact me directly at 250-505-4596 or email us at [cmebc1@gmail.com](mailto:cmebc1@gmail.com)

Your generous support is greatly appreciated.

David Johnston  
President, Chamber of Mines of Eastern B.C
